

MESSAGE FROM THE PRESIDENT

Dear Husky Families,

Welcome to the Bonnie Holland Elementary School PTA and the 2019-2020 school year. I am truly honored to serve as your PTA President, and I am so very excited about the many fun events we have planned for the coming year.

Our PTA is made up of parents, grandparents, guardians, teachers, staff, and other members of our community who are committed to improving the educational experiences of our children. I invite each and every one of you to join us by becoming a PTA member. The larger our community, the greater our impact.

It is our goal as a PTA to have a positive influence on every student at BHE. To achieve this, the PTA organizes many activities and fundraisers throughout the year. Your participation in school events enhances students' experiences by providing an opportunity to have fun and interact with friends, teachers, and family outside of a classroom setting.

With all that is planned, there will be numerous volunteer opportunities. I know your time is valuable, but if you are interested in helping in any way, we will find a role that fits your availability and your interests.

This website contains the names of our current executive board as well as information about the various PTA committees. If you are interested in joining us by serving on one of these committees, please contact me at the address below. We would love to have you as part of our team!

Please feel free to contact me throughout the year with any comments, questions, or concerns. Together, let's make this a phenomenal year at BHE!

Best Regards,

Cheryl Anderson
