So please do consider joining the BHE PTA to help achieve our goal of 100% membership. Become a member by [completing and returning the form](#) or [signing up online at JoinPTA.org](#). Gifted and Talented Screening Updates

Parents, please take note of the current progress of GT screening at BHE.

- *Fifth Grade screening is complete.
- *Kindergarten screening is coming to a close and final placement notification letters will be mailed on **February 18th**.
- *First through Fourth grade students are beginning the screening process and their notification letters will be mailed on **Friday, May 22.**

The screening process for each child is different. The proctor works with students in small groups, therefore not everyone is being tested at the same time. In some cases, we have all the information and data we need to make a final placement decision and no further testing is necessary. But please know that if your child needs a test, the proctor will send home a screening window notice. The screening process is a lengthy process and we greatly appreciate your patience.

Information for New BHE Students

If you are new to our school and would like your child to be screened for Gifted and Talented services for the **2020-2021 school year**, please contact one of the GT Facilitators, mandamsimmons@katyisd.org or minarezaie@katyisd.org within one week of registration.
