Student Illness - Parent Pick-Up

The health and safety of our staff and students is our top priority. As a campus we will make continued efforts, based on district guidelines and best practices to keep your child safe and healthy. Unfortunately, throughout the school year, it is not uncommon for children to contract an illness that requires them to be sent home from school. This year, due to the current health pandemic, sick children presenting with COVID-19 like symptoms: fever (>100.0 F), cough, congestion, runny nose, sore throat, shortness of breath, diarrhea or vomiting, abdominal discomfort, new unexplained loss of taste or smell, headache, sore throat, significant muscle aches/pains, will be given a facial covering, regardless of grade level, and will be triaged to a safe location to be monitored by nursing staff. All children presenting with possible COVID-19 like symptoms will be required to be picked up from campus, by a parent, as soon as possible or within an hour of being notified.

Message From The Counselor

Katy ISD has adopted a new character curriculum to support social emotional learning called Purposeful People. As in previous years, we will focus on a character trait each month. There are lessons for the classroom, activities and lessons for recess and family newsletters each month. You will receive the newsletters in your grade level weekly communication, and you will also be able to access the family newsletter in our campus news. The August trait is Courage, and the students have been discussing courage as they navigate online learning and/ or prepare to return to school in person. There are virtual lessons available along with in- person lessons. We are looking forward to growing emotionally and academically this year!

BHE PTA General Membership Meeting

BHE PTA will be holding a General Membership meeting on **Thursday, September 10, 2020 at 11:00 am**. Our meeting will be held on the Zoom platform. To participate in the meeting, **all members must register by Wednesday, September 9, 2020**.

Members **MUST** register to attend and vote. Please click this link to RSVP

<https://forms.gle/d5xw7QMTFgDynMX3A>

As we approach the meeting, you will receive an email from Cheryl Anderson (bhepta.pres@gmail.com) with the Zoom link to join our meeting. You will be able to access the meeting using a computer, iPad or iPhone.

MEETING INFORMATION:

The meeting will open approximately 15 minutes prior to the start time. In order to be accepted, you **MUST** have your first and last name in your profile so we are able to accept you into the meeting. If we cannot verify the name, you will not be admitted.

MEETING RULES:

The chair gives the chance to speak to every member who wishes to do so. Pro and con speakers should be given alternating opportunities to speak, if possible, and all speakers should tactfully be kept to rules of order and to the question.

Each member has two opportunities to speak to the motion. A member may exercise his or her first opportunity to speak and, then, after every other member has the chance to speak, may speak only once more.

All statements must be addressed to the chair and not to another member. The chair recognizes a member who has not previously spoken to the motion in preference to one who has spoken.

The chair does not enter into the discussion. Should the President wish to debate, the chair must ask the Vice President to preside. He or she does not resume the chair until after the final disposition of the question under discussion. The President may vote when the vote would change the outcome (to make or break a tie) or when the voting is by ballot.

Debate continues until no one wishes to speak or until someone moves to close debate.

Members cannot close debate by shouting, "Question." A member must seek recognition and make the motion properly and requires a 2/3 vote to pass. ("I move the previous question.")

If you have any questions, please contact Cheryl Anderson, BHE PTA President @ bhepta.pres@gmail.com.
